### Before coming into PEHC:

**Prior to coming in to see us**, if you are able to have your application paperwork and supporting documentation ready, it will greatly speed up the process.

**To apply for ODSP**, you can pick up an application from either an Ontario Works caseworker if you have one, or by contacting the London ODSP office at 519-438-5111. They are located at 217 York St.

**To apply for a Disability Pension through CPP-D**, the application can be found by clicking [here](#). Note that you must download and review **ALL** of the documents listed on that page. If you are able to write down any answers on a separate page that will speed up the process.
